

DECLARATION

COPY OF PAPERS
ORIGINALLY FILED

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled HIGH FREQUENCY INDUCTIVE LAMP AND POWER OSCILLATOR, the specification of which

[] is attached hereto.

[XX] was filed on October 12, 2001 as United States Application Number 09/975,552.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR § 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or § 365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or PCT application having a filing date before that of the application on which priority is claimed.

ASSIGNMENT

WHEREAS, I/we, Douglas A. KIRKPATRICK of 10929 Beach Mill Road, Great Falls, VA 22066, and Aleksandr GITSEVICH of 18700 Walkers Choice Rd #205, Montgomery Village, MD 20886, have invented certain new and useful improvements described in a patent application entitled HIGH FREQUENCY INDUCTIVE LAMP AND POWER OSCILLATOR, and filed on October 12, 2001, as Application. No. 09/975,552.

WHEREAS, Fusion Lighting, Inc., a corporation of Delaware, having a principal place of business at 7524 Standish Place, Rockville, MD 20855-2730, is desirous of acquiring the entire right, title and interest in and to the subject inventions, and in any and all national and regional patent applications based thereon, and in any patent that may be granted therefor in the United States, its territories and possessions, and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we hereby sell, transfer and assign to Fusion Lighting, Inc. the entire right, title and interest in and to the subject inventions, and in any priority rights, and in any and all national and regional patent applications based thereon, and in any patent that may be granted therefor in the United States, its territories and possessions, and in any and all foreign countries, and any and all continuations, divisions, re-issues, re-examinations and extensions thereof.

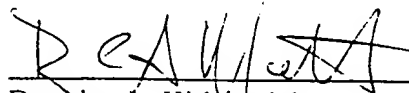

We hereby authorize and request the Patent and Trademark Office officials in the United States and in any and all foreign countries to issue any and all patents, granted on the subject inventions, to Fusion Lighting, Inc., as the assignee of the entire interest in and to the same, for the sole use and benefit of Fusion Lighting, Inc., its successors and assigns.

We agree to:

1. communicate to Fusion Lighting, Inc., or its representatives, any facts known to us respecting the subject inventions;
2. testify in any legal proceeding;
3. sign all lawful papers;
4. execute all continuation, divisional, substitution, renewal and re-issue applications;
5. execute all necessary assignment papers to cause any and all patents granted on the subject inventions to be issued to Fusion Lighting, Inc.;
6. make all rightful oaths; and
7. generally do everything possible to aid Fusion Lighting, Inc., its successors and assigns, to obtain and enforce proper protection for the subject inventions in the United States, its territories and possessions, and any and all foreign countries.
